

Respected Principal / Headmistress

Assalam-o-Alaikum,

Invitation — Art & Creative Writing Championship 2026, Theme “My Dream”

The Educate Elevate Hub is pleased to invite your school to take part in the **Art & Creative Writing Championship 2026** — a platform for students to express their ideas and imagination through both art and writing. This year’s championship is open to students from **Pre-Kindergarten to Grade 10** and is held under the theme **“My Dream.”**

Students may enter in either or both categories — **Art** and **Creative Writing** — and respond to the theme in their own original way: through drawing, painting and illustration, or through stories, essays and imaginative writing. Entries are judged within six grade groups, so that every student competes fairly among peers of the same level.

We have kept participation straightforward for schools. The registration fee is **Rs. 1,000 per student**, with no limit on the number of students a school may enter. Winners receive cash prizes, tablets and medals, and **every participant receives a certificate**. We are also glad to recognise the teachers, coordinators and principals whose support makes this possible.

REGISTRATION DEADLINE	CONTEST DATE	RESULT ANNOUNCEMENT
01 Oct 2026	15 Oct 2026	30 Oct 2026

Full details of the categories, grade groups, awards, evaluation criteria, rules and registration process are provided in the **enclosed championship brochure**. To take part, kindly have a teacher or coordinator complete the registration form (available on our website) and submit it together with proof of payment before the deadline.

We would be delighted to welcome your students to this year’s championship. For any assistance, please feel free to contact us at the details below.

With deepest appreciation,

National Lead Manager | The Educate Elevate Hub
